To Whom It May Concern

Subject: Recommendation for Siddhi

I am pleased to recommend Siddhi, whom I have known in my capacity as [teacher/supervisor] at [institution/organization]. During this time, Siddhi has demonstrated a responsible attitude, a willingness to learn, and a sincere interest in developing her skills.

Siddhi approaches academic and practical tasks with care and is open to feedback and improvement. Her interest in computer applications and cybersecurity reflects her motivation to build a strong technical foundation and continue learning.

I believe Siddhi would bring commitment, curiosity, and a positive attitude to future academic or professional opportunities. Please contact me if further information is required.

Yours sincerely,
